Puzzle Pieces ○

# Puzzle Pieces

Andy is putting a puzzle together. The puzzle has one hundred fifty pieces all together.

- The first day Andy puts thirty-six pieces of the puzzle together.
- The second day Andy puts forty-one more pieces of the puzzle together.
- The third day Andy puts sixty-eight more pieces of the puzzle together.

Andy is upset because there are no more puzzle pieces left. How many puzzle pieces does Andy need to finish the puzzle? Show all your mathematical thinking.
